| | Comedy: Is there anything we cannot joke about? | The class will discuss and define what comedy is. They shall watch a variety of clips from different comedians discussing if their jokes crossed a line from humour to offence. The project will culminate with a debate where the class will argue if a certain joke is offensive or not. | Students will increase their understanding of how language is used in the creation of humour. They will gain vocabulary and experience in the discussion of ethics. | With continuous monitoring of work and feedback. |
| | Pechakucha 20x20 Presentation. (A strict, time-based presentation which uses 20 slides, and each slide is only on screen for 20 seconds) | Students will create and give a Pechakucha style presentation on a subject of their choice. | Students will learn how to be precise in what they are saying to fit with the strict time demands of the presentation. It will force them to practice and increase their confidence of public speaking. | Each student will receive feedback and questions on their presentation from the rest of the class and me. |
